Rubino 200 TTT

Rubino 200 TTT is a completely automatic table-top vending machine of the last generation with design and technical performance at the top of the range. It is equipped with the new Saeco TTT TwinTasteTech brewing unit that allows the dispensing of both paperless fresh brew coffee and espresso coffee without any software or mechanical presetting. The product can be selected by simply pressing a button on the direct access keypad.

Designed for small and medium locations, it is available with cabinet in two versions, standard and for payment system, and dispenses up to 8 different beverages.

Main features
- Automatically dispenses cups (up to 195), sugar and stirrers
